Introduction

We are FTC Team Wolverine #23157, a student-led robotics team united by a passion for innovation, problem-solving, and teamwork. Every season, we design, build, and program robots to take on complex game challenges—learning valuable skills in engineering, coding, leadership, and collaboration along the way.

Our Philosophy

As FTC Wolverine, we embrace the spirit of our namesake - resilient and resourceful. Our mission is to push the limits of current innovation and inspire others to adopt the same mindset. Just as wolverines are able to thrive in the toughest of environments, we too thrive while tackling every obstacle head on

Awards

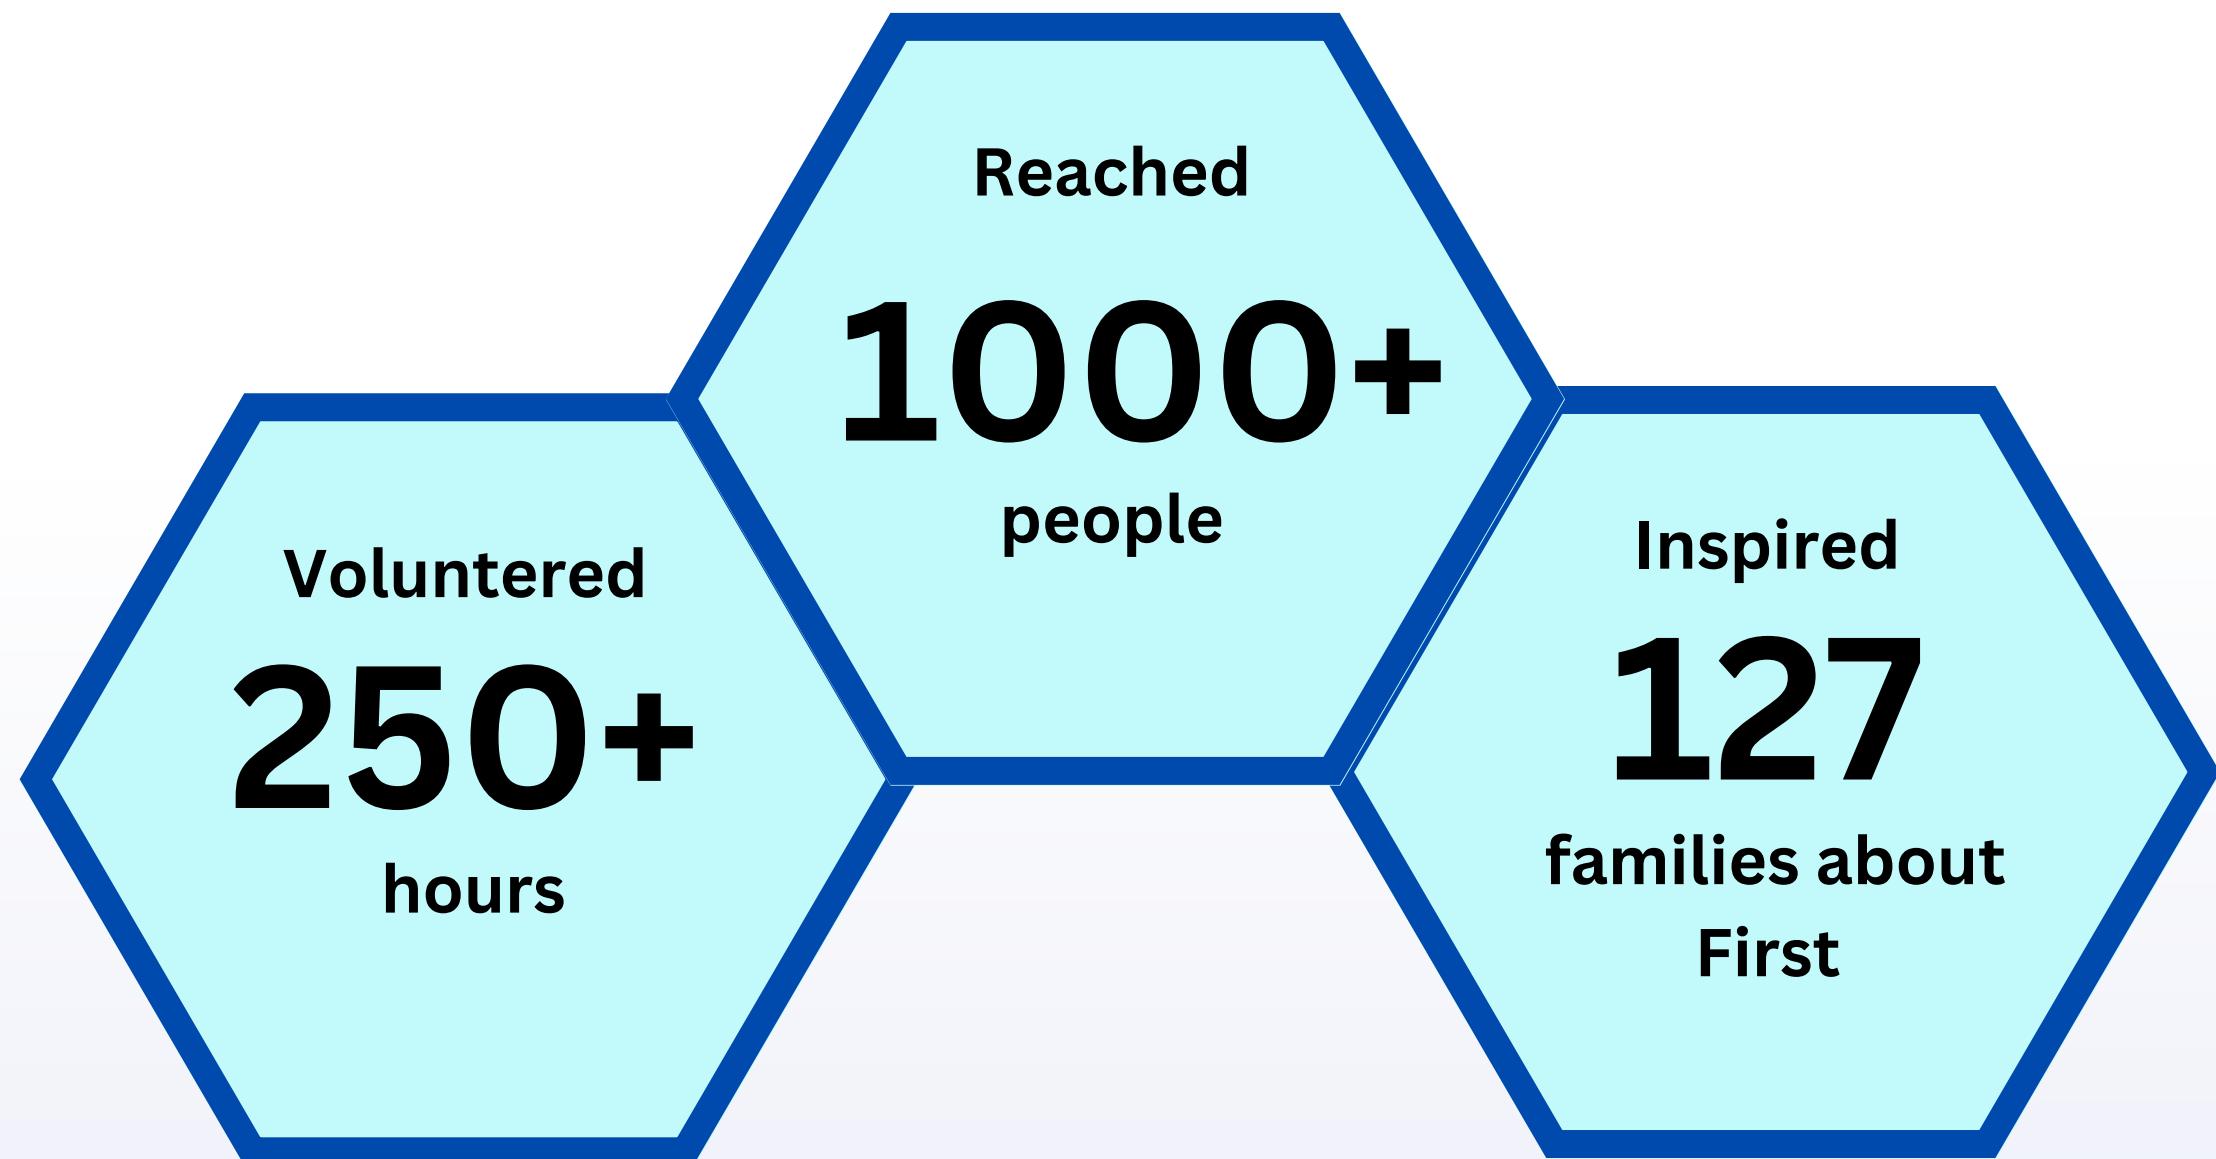

1st Place: First in district competition

Design Award: Award for design and engineering excellence - x2

Judges' Choice: Award for judges pick of best team

Outreach

Key Events:

5-Course Coding Camp

Hosted a coding camp where we taught kids about the basics of Java and had them build a final project.

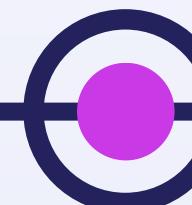

FIRST Webinar

Hosted a webinar explaining FIRST Robotics. Continued to follow up with encouragement and advice

Robotcs Faire

In collaboration with FTC SciRavens, we hosted a 1 day robotics fair for all to learn about robotics.

Our Team Roadmap

Engineering for those without access

Create custom engineering/ STEM kits and distribute them in less fortunate areas.

Kits will include instructions and important engineering concepts taught

Season Start

Start building a robot for competitions, showcases, events, and other social media material given to donors

Guest Speaker Event

Have a guest speaker event, where important figures talk about the importance of technology, its impact on the world, and what role FIRST plays into it

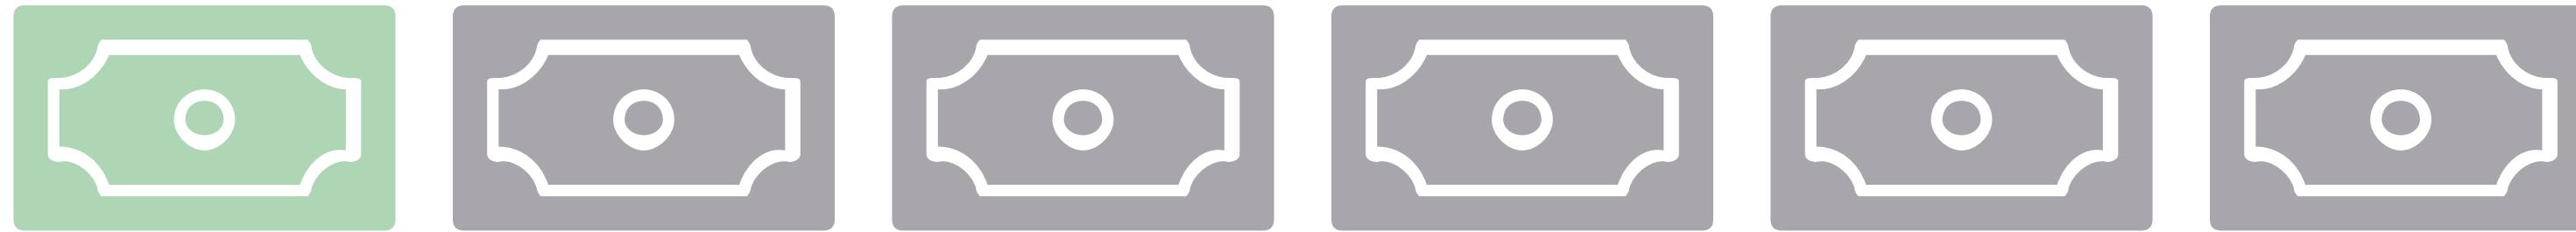

Innovator's Hour

Host weekly engineering lessons highlighting a specific aspect of it each week.

Teach people to be innovators and create their own invention

Donation Statistics

Reports show that every \$1 donated to teams in FIRST revenue increases by \$6 through brand visibility and increased reputation. Forbes recommends donating 10% of revenue for maximizing benefits.

Donate

If you are interested in being part of our journey, while also gaining several benefits that come with being associated with an FTC Team, please donate here:
